26 April 1950

MEMORANDUM FOR: Chief, Services Division
FROM: Services Officer, OFC
SUBJECT: Outside Telephone Installation

1. It is requested that an outside telephone be installed in [REDACTED]
2. An outside telephone is required for this office because it is operationally necessary for the occupants to transact business relative to a highly classified project.
3. It will be very much appreciated if the request for installation of this phone be given consideration at your earliest possible convenience.
